

May 1, 2017

Dear Respondent:

For the purpose of evaluating interbank liabilities exposure, this letter shall serve as evidence of the capital adequacy of **Bankers' Bank of the West** for the period ending March 31, 2017. You can also obtain information on "upstream" banks we sell fed funds to by clicking on "Fed Funds Exhibit A" in the Quick Links section on the home page of our website [www.bbwest.com](http://www.bbwest.com). Information on upstream banks is not available until after Call Report information is published.

As you will note, Bankers' Bank of the West's capital ratios exceed those required to be classified as "Well" Capitalized according to Regulation F. Please be advised, however, that this disclosure is made solely for the purpose of evaluating interbank liability exposure and may not constitute an accurate representation of the bank's overall financial condition or prospects.

**REGULATION F**
